Christmas 2008, The Bloomsbury Club, London, WC1

Entice at the Bloomsbury Club, London, WC1

LONDON, WC1

This intimate venue is set in fashionable Bloomsbury and is perfect for smaller parties.

Guests arrive at the beautiful private grounds and pass through striking wrought iron gates into immaculate gardens, where colour-washed, up lit trees guide them past the dancing Bloomsbury fountain.

Flaming torches provide an enticing entrance into the Bloomsbury Club and VIP rooms. Luxury black drapes adorn the hallway and hanging chandeliers gently illuminate the stylish reception area.

Entice exudes bespoke modern glamour with a burlesque twist, using contemporary colours of chartreuse and black. Textured palettes and sleek lines, with sculptural elements and dramatic wall art, add an elegant and beguiling twist to this ever popular venue.

Guests will be drawn towards our stunning feature bar, situated beneath baroque chandeliers and draped ceiling. The bar will glow a vibrant chartreuse, enhanced with dramatic sculptured filigree and stylised pastiche lamps.

Feature walls displaying dramatic wall art create an atmospheric and intimate chill-out area, furnished with vivid colours and rich textures.

The raised stage is draped with heavy textured black fabrics and provides the ideal setting for your choice of entertainment.

In the dining area, baroque sculptured light panels and rich theatrical linings adorn the walls. Each dining table will be individually pin-spotted and elegantly dressed with full length, black under-cloths and chartreuse overlays. Silver cutlery and sparkling glassware will be complemented by gilt dining chairs and opulent table centres of black roses.

Winter Garden at the Artillery Garden, HAC, London, EC1

LONDON, EC1

London's premiere venue is set in five and a half acres of manicured lawns in the heart of the City.

On arrival, guests pass through wrought iron gates into the warmth of the draped interior, and are welcomed into the City's most impressive reception and bar space: the magical 'Winter Garden'.

Adding to their multi-dimensional experience, guests can partake in their pre-dinner drinks from the first floor gallery, with views overlooking the magnificent 'Winter Garden' venue. This unique space, with its mellow lighting and comfortable seating, is ideal as a separate VIP area or as a champagne and cocktail bar.

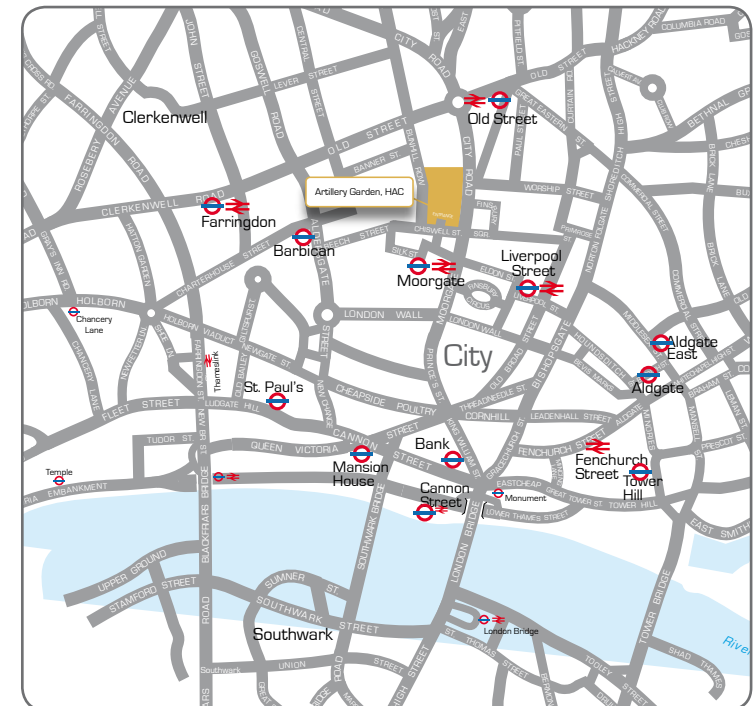

The experience continues as guests are invited into the main 'Winter Garden', where an array of elegantly dressed tables meets their eyes. Silver cutlery and sparkling glassware enhance the lantern table centres, nestled in moss and cones. The venue is bathed in soft autumnal lighting, as dramatic, cascading drapes spill from the centre of the beautifully lined roof.

A huge stage, with its own integrated sound and light

system, is the perfect platform for speeches, presentations or live performances. Two large AV screens, suspended above the stage, add another dimension to your event, offering the opportunity to display corporate branding, live feed, news reels or even a black and white movie!

Your guests will enjoy a sumptuous seated meal, a superbly presented buffet or a tantalising food court, all served by our immaculately dressed waiting staff. After dinner, guests can enjoy the dodgems or dancing to our top DJ.

We look forward to welcoming you to the "Winter Garden" for the very best live event experience.

CATERING BY ESSENCE

The catering team is led by Jeff Galvin, formerly Head Chef of the Michelin starred Picasso Room at L'Escargot, and joint Chef Patron of Galvin Bistro Deluxe, winner of "Tatler Restaurant Award for Best Newcomer" and the "AA Restaurant Of The Year", and awarded a Michelin Bib Gourmand.

For the past three years Jeff has been closely involved in all aspects of the food and beverage operation at all of our venues.

Jeff approves the menus, selects and trains the key members of the Kitchen Brigade, advises on the choice of dishes at client tastings, and creates the final look of the food on the plate.

Jeff's style is to serve simple, delicious food, and his influence is evident in the choice of dishes that make up the range of menus that we offer.
